

Two Day Faculty Development Program on
"Fundamentals of Research Methods and Hypothesis Testing using SPSS"

Friday 11th to Saturday 12th March, 2022

Report of FDP Program

Rajarambapu Institute of Technology, Rajaramnagar has organized Two Day Faculty Development Program on **"Fundamentals of Research Methods and Hypothesis Testing using SPSS"** from Friday 11th to Saturday 12th March, 2022. It becomes informational event for the faculty members of various colleges. It became a grand event for the participants.

In inaugural session Dr. Mrs. Sushma Kulkarni was the chief guest and Head DMS Dr. Mrs. Hemlata Gaikwad chaired the function. Along with them, Dr. Pratibha Jagtap, Prof. Meer, M. Ali and other staff of the college were present for inaugural function.

After the inaugural session, Dr. Ganesh deliver a lecture on 'Fundamental of Research and types of Variable and Types of Scale' in the first session. The first session was very interesting and interactive. Teachers were getting acquainted with Fundamental of Research.

Dr. Ganesh deliver a lecture on 'Hypothesis Formation'. The second session was very interesting and interactive. Teachers were getting acquainted with Hypothesis Formation.

In the third session, Dr. Ganesh deliver a lecture on 'Questionnaire Preparation'.

In the second day first session, Dr. Ganesh deliver a lecture on 'Starting SPSS, Creating data file, entering data and modifying data'. The first session was very interesting and interactive. Teachers were get acquainted with SPSS.

In the second day, second session, Dr. Ganesh deliver a lecture on 'Statistical techniques: Correlation, Regression, ANOVA'. The second session was new to most of the participants & hence it is very interesting. We have got the basic ideas of correlation, Regression & ANOVA.

In the second day third session, Dr. Ganesh deliver a lecture on 'Parametric & Non-parametric: T- Test, Z- Test, Chi square Test'. This session was related with research & we have got knowledge of t, z & chi -square test & its application.

After the third sessions, the event was concluded with valedictory function. Head DMS Dr. Mrs. Hemlata Gaikwad was the chief guest of the function. The session was chaired by Dr. Pratibha Jagtap and Prof. Meer.M. Ali. Prof. Arjun Thorat were on the dais for this function. The participants congratulated Dr. Mrs. Hemlata Gaikwad for the organization of this workshop & it was a great opportunity for all the participants to learn something new.

Dear Participant,

Thank you for attending the Two Day Faculty Development Program on - "Fundamentals of Research Methods and Hypothesis Testing using SPSS" (For academicians and research scholars) on 11-12th March 2022 (Friday-Saturday).

We hope that you found the FDP informative and worthwhile. Our primary goal was to increase your understanding of Fundamentals of Research and using SPSS for Hypothesis Testing and to impart sufficient skills of choosing appropriate methodology and using software tools for data analysis for conducting research as well as to introduce and provide resources that will support your Research initiatives.

There were many topics covered during the workshop and the presenters did an outstanding job of sharing their expertise with you.

We convey thanks to our distinguished resource person of the FDP - Prof. Dr.Ganesh Pathak sir for his presence and giving excellent coverage and justice to the theme of the Faculty Development Program.

Thank you for your comments and suggestions on the Feedback form and We assure you that each will be given consideration so that future training programs will be even more of a success.

Our deep regards and thanks to Dr. Mrs. Sushma Kulkarni Madam - Director RIT for her support, and encouragement for conducting this FDP.

We are extremely grateful to Dr. Mrs. Hemlata Gaikwad Madam - Head DMS for guidance and providing a stimulating environment for such educational developments.

Again, thank you for being part of our FDP and please recommend this training to others in the future.

We wish you the best.

Sincerely,
