

**6.5.1: Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities**

IQAC is set up in March 2017, the IQAC of the college has served as a spearhead in institutionalizing quality enhancing practices in the college. IQAC of the college has significant contribution for the quality enhancement by continuous improvement in all working areas of the institution by connecting students, teachers, parents, management, alumni and society. IQAC monitors the implementation of vision and mission of the college. IQAC prepares perspective plan of development for the college and execute it in a strategic way. The quality measures have become a continuous process and are visible in the systems and procedures adopted in providing services to stakeholders. Two of these practices are explained below.

**1. Grooming of students through enhanced student centric activities.** For the overall development and wellbeing of student and society, student should be prepared for the futuristic world. The college organizes various student centric activities along with its regular academic activities to provide a platform to the students to explore their potential and showcase their talents. The college organizes activities like poster presentation, elocution, drawing, Avishkar competition and other similar activities to inculcate necessary skills among the students. The college promotes the active learning of the students by engaging them to deliver seminars on the topic of their choice. The College gives emphasis on activities like projects, group discussions, workshops, Inplant training, Quiz Competition etc. The College has well equipped laboratories to inculcate the skills by providing hands on training. ICT enabled Teaching-Learning methods and tools like Google Classroom, YouTube videos, online quiz are used to increase the participative approach of the students. A best student is awarded by the institution to motivate other students on the basis of merit, participation in social activities, curricular and co-curricular activities.

**2. Introduction of Certificate Courses.** In tune with NAAC core values and the Vision and Mission statements of the institution, college has introduced skill development certificate courses; Distillery plant operator, DCS operator and Sugar engineering. With these courses, the college has endeavored to fill the gaps in university curricula on the one hand and develop employability skills among the students on the other. The institution has constituted department-wise committees for framing and updating the syllabi of these courses.
