Subject: For fee concession

Respected sir,

With due respects, I am taking admission for M.Sc (Sugar Technology) in your well known institution. I would like to inform you that my family's financial conditions are not stable and even it is hard to meet the minimum household expenses and thus, I cannot afford to pay the college fee.

Hence, I request you to waive my fee on humanitarian grounds to enable me to pursue my studies further.

Kindly consider my case with a positive outlook and help me to study with a bright future, I shall not disappoint you.

Thank you!

Yours faithfully
