Dear Sir,

Please find attached letter for selection of sugartech & alcoholtech professionals of RCST.

We would like to request you to arrange the interviews before 28th September.

From the first week of October, we will try to give appointments, and arrange a training programme before their allocation in various sugar plants.

We are waiting for your reply.

Thanking you,

Shantanu Kulkarni.

The Chairman,

Rajarambapu College of Sugar Technology,

Islampur, Sangli, Maharashtra.

Sub: Campus Interview for selection of chemists for sugar plants.

Respected Sir,

We as V.M.BIOTECH & CREDO IMPEX PVT.LTD. are serving sugar industry from past 30 years with our own research base technologies in various sugar factories.

For the crushing season 2021-22, we need helping hands of trained / untrained and knowledgeable professionals to serve sugar industry in best possible manner.

Right now, we are required following number of professionals, which are as follows:

- 1. Chemist for sugar manufacturing process (SUGAR TECH) 10 personals
- Chemist for distillery (ALCOHOL TECH) 5 personals.

We kindly request you to arrange a campus interview. We are looking forward to select maximum professionals from your esteemed institute.

The selected professionals will get appointment immediately under our marketing company CREDO IMPEX PVT.LTD. and may be placed in various sugar factories where our novel technologies are been implemented.

Thanking you,

Shantanu Kulkarni.

Director

Credo Impex Private Limited

(A Marketing Division of V.M. BIOTECH)

Candidates Selection - Alfanzyme Life Science

1 messago

Madhuri Bagewadi <madhuri.alfanzyme@gmail.com> To: zahul.pawarsugartech@gmail.com Co: Manas Alfanzyme <manas.alfanzyme@gmail.com>

Tue, Dec 29, 2020 at 1:31 PM

Dear Rabul Sir,

Greetings from Alfanzyme Life Science III

This is in reference to our today's telephonic discussion regarding the candidates selection.

Firstly, we would like to express our sincere gratitude for giving us an opportunity to tie up with your institute for placements.

As discussed on call, we have selected totally 5 students from the batch visited yesterday. 4 students are from your college and 1 who same along with them.

Below is the list for your kind reference:

Sr .no	Student name	Contact no	Email id	Qualification	Status	Joining Date
12	Jadhay Vishal Vasant	9172876141	vishal9172876141@gmail.com	M.Sc. (Alcohol Tech	YES	04-Jan-21
2	Patil Pratik Haibati	6364626577	palilpratik4041@gmail.com	M.Sc. (Alcohol Tech	YES	04-Jan-21
3	Gurav Ganesh Bhaguji	7558296038	gganeshgurav2630@gmail.com	M.Sc. (Alcohol Tech)	YES	04-Jan-21
4	Patil Sangram Anil	9637565649	sangrampatil0906@gmail.com	M.Sc. (Alcohol Tech	YES	04-Jan-21

Initially 1 year will be their Training Period and the salary offered for a period of 1 year is Rs. 96,000 p.a for each student along with accompdation.

After completion of 1 year, we will be incrementing their salary based on their performance.

Job Description and Job Designation details were earlier shared with you.

We have asked the students to report to Belgaum on the 03rd Jan 2021, to set up their accompdation and other arrangements as riecessary.

Please let me know if there is any other information required.

Thanks and Regards,

Madhuri Bagewadi

Subject: In plant training to M.Sc. Alcohol technology student.

Respected sir,

We are introducing our self as educational institute for sugar & allied industries viz. Rajarambapu college of sugar technology, Islampur Affiliated to Shivaji University, Kolhapur. The main function of the institute is to provide technical education and training to student in sugar & allied industries. Presently we are conducting graduate course in sugar technology and post graduate course in sugar and alcohol technology.

Apart from education in plant training to fresher student is most important factor before entering to service field. We hope you are one of best organization can provide in plant training to fresher student. Hence, we wish to deputing student of M.Sc. II (Alcohol Technology) Mr. Rohit Hariba Desai for training in your distillery plant. Please give him training in fermentation, Distillation& de-hydration section similarly ENA plant, IMFL plant & ETP. After satisfactory completing training of three months (December 2019 – February 2020), you are requested to relive him for further study and examination. Kindly Issue Training certificate.

Thanking you

Your's, faithfully

V.R. Kaledhonkar Technical Director
